

Event # 3

Skee-Ball

Let's play! You'll need:

- Boxes or baskets
- Paper (for keeping score!)
- A ball to toss
- Lots of space

Grab a partner and get ready to have some fun! Line up some boxes – different sizes work best – and get a small ball. Make sure you have plenty of space! You can give your boxes different point values, or just add one at a time!

Hey caregivers - make it educational! Put colored paper on each box for a matching activity that gets your kinesthetic learners moving and works on gross motor skills at the same time!
