WE STAND IN SOLIDARITY.

Pacific Autism Center for Education (PACE) stands in solidarity with all individuals who have fought and continue to fight against systemic racism in America. Our community is composed of individuals from a spectrum of races, ethnicities, abilities, and identities, and we believe wholeheartedly in the power of diversity.

We have, and continue to be, advocates for inclusion and acceptance. We are committed to listening, learning, and building an even more inclusive and just environment where Black, Indigenous and People of Color (BIPOC) individuals can thrive.
