- Dr. Martin Luther King, Jr.

Your Impact

A legacy gift to PACE provides support and care for families impacted by autism for years to come. No matter the amount, you will make an extraordinary impact on our community and ensure that PACE’s high-quality programs are sustainable for future generations.

Many supporters choose to leave a gift as a way to honor a friend or family member and others because they want to care for those with autism.

How to get started:

- Contact your financial advisor to discuss your options and begin the process of establishing a charitable bequest.
- One of the simplest ways to leave a lasting legacy is to include specific language in your will or living trust naming the Pacific Autism Center for Education as a beneficiary of your estate. Your estate will receive a charitable deduction for the full donation, so your heirs will not pay estate taxes on these assets.
- Visit us at pacificaautism.org to learn more about our Legacy Giving program, and to download our Charitable Bequest information.
